

## Which zodiac sign does July 30th fall under ?

July 30th falls under the zodiac sign **Leo**. In Western astrology, Leo covers the dates from approximately July 23 to August 22<sup>[1] [2]</sup>. Therefore, anyone born on July 30 is considered a Leo. Leos are often symbolized by the lion and are associated with traits such as creativity, confidence, leadership, and warmth<sup>[3] [4]</sup>.
